

## End-of-Sale Announcement

NETSCOUT is announcing the End-of-Sale date for the **OptiView XG Product line effective December 31, 2019**. Customers will still be able to purchase MasterCare support until an End-of-Life date is announced and OptiView XG accessories will still be available for a limited time.

Please note that existing deployments of OptiView XG will not be affected by this announcement.

For more information, please contact [Greg.Rayburn@netscout.com](mailto:Greg.Rayburn@netscout.com), your sales team or check out our website at <https://www.netscout.com/product/optiview-xg-network-analysis-tablet>

\*\* There is no upgrade path for the affected products.
